

CAMP WALT WHITMAN CLOTHING AND EQUIPMENT LIST

The Clothing and Equipment List below details the clothing and equipment that will be needed at camp. The numbers of items are based on once weekly laundry service (out one day, back the next). We supply a color-coded laundry bag to every camper. Do not send expensive items or items of sentimental value to camp. We cannot be responsible for their loss and there really is no need to have them at camp. Substitutions can be made for individual preferences and age appropriateness. **Please do not overpack! Campers do not need more than what's recommended and storage space is limited.**

In addition to logo'd clothing, Cloz Company also offers a trunk-sized duffel bag which folds easily when not in use. We recommend shipping belongings to camp in this or a similar, soft-sided duffel.

Cloz Company is our official camp supplier. The only items required by CWW from the Cloz Catalog are the two CWW T-shirts which will be worn for inter-camp sports and for trips out of camp which might take campers to public places.
